PROFESSIONAL EXPERIENCE

DexKo Global (private equity-backed industrial acquisition platform)

Novi, MI

M&A Strategy and Operations Intern

Jun 2026 - Aug 2026

- Prepared investment memoranda, confidential information memoranda (CIMs), and company profiles for buy-side and sell-side processes across 4+ industrial targets in trailer components.
- Reviewed 6 data rooms and synthesized financial, operating, and market findings for senior leadership; tracked post-close integration with finance and audit.
- Built an M&A Hub that automated company overviews, CIM preparation, and deal-review workflows, saving 40+ hours of manual work for a 7-person M&A team managing a 300+ target pipeline.
- Analyzed 130,000 public competitor listings to identify 1,305 products driving 80% of engagement; presented recommendations to the CEO on assortment and production priorities.

Embedding VC & Breakthrough Ventures

Remote

Venture Scout

Oct 2025 - Present

- Evaluated 20+ early-stage AI companies on unit economics and competitive defensibility; diligence memoranda informed \$500,000+ in committed capital.

Lasagna Capital

Miami, FL

Investment & Operations Intern

Jun 2025 - Aug 2025

- Evaluated 30+ companies on market dynamics, competitive positioning, and unit economics to support partner investment decisions.
- Built a company-scoring framework and automated sourcing and data enrichment with the founding partner, reducing manual research by approximately 60%.

Verde Vista Partners (private equity)

Private Equity Intern

Mar 2025 - May 2025

- Built operating and leveraged buyout (LBO) models and drafted investment memoranda for 30+ acquisition targets in a commercial roll-up, including 2 that advanced to letters of intent.

LEADERSHIP & ENTREPRENEURSHIP

FoodBridge | Co-Founder

Nov 2025 - Present

- Co-founded a B2B platform automating food-donation routing and charitable-deduction calculations; built a 16-business waitlist and validated the methodology with a CPA using real donation records.
- Negotiated a \$200,000 institutional term sheet as part of a two-person founding team.

Princeton Trading Club | Founder & President

Jun 2025 - Present

- Founded and grew a 50+ member club; designed a campus trading competition and lead weekly sessions on probability, expected value, and market microstructure.

Michigan DECA | State Vice President of Leadership Development

2022 - 2023

- Led leadership programming for 8,000+ members statewide; placed International Top 5 in Financial Literacy.

Activities: SEO Career Fellow; Princeton Private Equity Club; OpenAI Campus Lead, Princeton.

SKILLS & INTERESTS

Finance: Operating and LBO models, DCF, comparable-company analysis, M&A due diligence.

Technical: Excel, PowerPoint, Python, SQL, and R.

Interests: Industrials M&A, commodity trade flows, and SAT and mathematics mentoring since 2022.
